

Imagine that

VENUE.

Elite variant with two-tone roof option shown.

Elite variant with two-tone roof option shown.

Compact car. Big personality.

Packed with charisma and compact city style, the Hyundai Venue has been built with you in mind. A head-turning combination of technology, safety features, and substance, it's the perfect car for those who value fun as much as functionality.

Precision engineered with Hyundai's hallmark attention to detail, the Venue is as capable as it is confident. Whether it's standing out on crowded urban streets or scoring weekend goals, the Venue lives in the sweet spot where playful meets practicality, and where premium is the new standard.

Small car. Big personality. The Hyundai Venue.

Stand out in style.

To survive in the city, it's not just what's inside that counts. You need to look the part, too. It takes more than metal, it takes style. And the Hyundai Venue has plenty of it.

At 4,040 mm long, 1,770 mm wide, and 1,592 mm high, its body shape gives it big-car presence in a small-car package. With a unique front design featuring cube-shaped LED Daytime Running Lights (DRLs)², and a striking grille that demands attention, the Hyundai Venue has a style all of its own.

And with a vast range of vivid exterior colours and a stylish two-tone roof in a variety of shades¹, you can make your mark on the city with a vehicle styled by you.

During work or play, the Hyundai Venue's striking design and quality finishes are sure to draw attention.

2. Available on Active and Elite variant

Elite variant shown.

Move forward in style.

The Hyundai Venue's artful cabin is more than a sanctuary from the stresses of the city, it's your launching pad to seize the day. Offering an effortless synthesis of interior features and quality finishes, it's crafted to make every drive as comfortable as possible.

From the new 4.2-inch digital supervision cluster, which displays important driver information on the dash, to the thoughtful choices of materials and trim, the Venue is as clever as it is refined. And with an elevated driving position to command the road, plus the convenience of 60/40 split-folding rear seats and a wireless charging pad¹, the Venue is as ready for the road ahead as you are.

Inspired, considered and ultramodern, the Hyundai Venue is designed to energise.

Top: Wireless charging pad¹
Bottom: 60:40 split folding rear seats

¹. Wireless charging pad requires a Qi-enabled smartphone or adaptor in order to operate.

Connectivity that keeps you in the loop.

The Hyundai Venue keeps you connected to your world, including the people around you – and the road ahead.

Featuring a new wireless charging pad¹ as standard right across the range, as well as Apple CarPlay² and Android Auto³ connectivity, the Venue keeps you energised and in the loop on every trip. With an 8" central touchscreen, front and rear⁴ USB-C charging ports, and the ability to toggle audio and phone controls via the steering wheel, the Venue offers an enviable suite of full-size technology in a compact SUV.

Whether you're receiving Live Traffic Updates via the inbuilt satellite navigation⁵, dictating a text, or just rocking out to the multi-speaker sound system, the Hyundai Venue isn't just cool, it's connected.

8" central touchscreen with Apple® CarPlay™² & Android™ Auto³

4.2" Supervision Cluster

Audio and phone controls via the steering wheel

Rear USB-C charging ports⁴

1. Wireless charging pad requires a Qi-enabled smartphone or adaptor in order to operate.
2. Apple CarPlay™ requires iPhone 5th or subsequent model (lightning cable) in order to operate. Apple® and iPhone® are registered trademarks of Apple Inc.
3. Android™ Auto requires a device with Android 5.0 operating system or subsequent version in order to operate. Android™ is a registered trademark of Google.
4. Rear USB-C power outlets only available on Elite variant.
5. Only available on Elite variant.

Elite variant shown.

Hyundai SmartSense™^{TM1}

Whether you're on your way to work or home from a night out on the town, the Hyundai Venue helps keep you protected with Hyundai SmartSense™ safety technologies alerting you to potential dangers around you.

Forward Collision-Avoidance Assist (FCA) - City/Urban/Interurban/Pedestrian (camera type) can sound a warning and apply emergency braking should a car in front of you come to a screeching halt, or if the Venue senses the movement of pedestrians in front of the car.

Blind-Spot Collision Warning (BCW)¹
When driving at a speed of 30km/h or higher, the BCW function will alert the driver to vehicles that enter or are in the blind spot, to help avoid potential collisions during lane changes.

Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company.
1. Safety features are not a substitute for attentive driving. Not all safety features are available across all variants.
2. Available on the Elite variant only.

Rear Occupant Alert (ROA) monitors the opening and closing of the Venue's rear doors, reminding the driver to check the second-row seating to make sure no passenger is left behind.

Blind Spot Collision Warning (BCW) keeps an eye on adjacent lanes, while Lane Keeping Assist (LKA) helps stop you from inadvertently wandering off-track.

Parking is a breeze thanks to the Venue's array of cameras and sensors, including a rear-view camera and an audible Parking Distance

Forward Collision-Avoidance Assist (FCA) - City/Urban/Interurban/Pesestrian (camera type)
Using camera data, the FCA system autonomously activates the brakes when it detects dangerous and sudden braking by the car ahead, or movement of pedestrians on the road.

Warning - Reverse (PDW-R) chime. Meanwhile, systems such as Rear Cross-traffic Collision Warning (RCCW) help monitor for any vehicles approaching from either side while reversing.

There's even High Beam Assist (HBA), which can toggles your high beams on and off to avoid dazzling other vehicles at night. With its effortless combination of safety, style, and personality, the Venue is dazzling enough already.

Rear Cross-Traffic Collision Warning¹
RCCW monitors for traffic approaching on either side of the Venue when reversing out of perpendicular parking spaces. Should RCCW detect a vehicle approaching, an audible warning will sound, with a visual warning displayed on the dash cluster.

Lane Keeping Assist (LKA)
LKA provides steering intervention to assist the Venue to stay between lane markings. When the Venue strays from the intended lane without indicators being activated, the LKA system will send out an audible sound and a visual warning within the cluster.

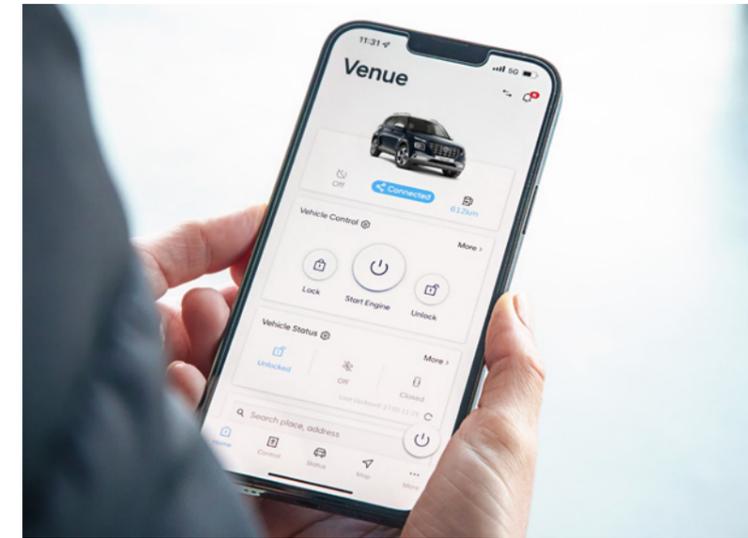

Stay connected with Bluelink™^{TM3}

The Hyundai Bluelink™ system embodies the next evolution of the connected car. The Bluelink app¹ unlocks a world of possibilities, such as checking details like fuel levels or vehicle location via your smartphone, operating climate control to pre-heat (or cool) your Venue in advance or locking or unlocking the car from a distance.

Bluelink™ offers more than the ease of data at your fingertips – or the magical convenience of remote-control functionality – it has also got your back in an emergency.

If you're in an accident or need medical assistance, simply press the SOS button² and the vehicle can alert responders who can direct emergency services to your location. If the air bags are deployed in an accident, the vehicle itself can trigger an automatic collision notification and call emergency responders for you².

Intelligent, intuitive, and invaluable in an emergency. Bluelink™ puts the future at your fingertips.

Top: Bluelink app¹
Bottom: SOS Emergency Assistance²

Bluelink™ is a registered trademark of Hyundai Motor Company and only available in the Elite variant
1. Active Bluelink™ subscription and Bluelink™ equipped vehicle with capabilities required.
2. Driver-assist feature only. Only operates if SOS button is pressed. Vehicle must have a working electrical system, including adequate battery power and mobile network coverage, for the feature to operate. Emergency services at user's cost. Hyundai cannot guarantee responses from emergency providers. Not available if Bluelink™ services are disabled or terminated.
3. Requires Bluelink™ to be activated, compatible device & app installation, third party info, mobile data, network reception and GPS signal to operate. Mobile usage at user's cost. Not available in areas not covered by the Optus 4G/3G network in Australia or if services are disabled or terminated. Features and app are subject to change.

Torque of the town.

Engineered to embrace the city, the Hyundai Venue is a vibrant example of Hyundai's world-renowned engineering.

Its three drive modes – Normal, Eco and Sport – adapt the Venue's attitude to your agenda, along with a zippy 1.6L four-cylinder engine generating 90kW of power and 151Nm of torque.

The Venue features Traction Mode¹ which allows you to maintain optimal driving performance in road conditions such as snow, mud or sand. Turn the dial to the left or right, and adjust the settings according to your road conditions².

The Hyundai Venue is built for the city. Equal parts bold, brilliant and bubbly, it's the ultimate accessory to elevate your lifestyle.

1. Traction mode and Drive mode are only available on automatic transmissions.
2. Vehicle off road use limitations apply. Consult with a Hyundai dealer for further details.

Everybody is different, which is why we've made a Hyundai Venue for everybody. Find the Venue that suits you with three models on offer: Venue, Active, or Elite.

Venue.

Engine and transmission

- 1.6 MPi (Petrol) 2WD - Manual
- 1.6 MPi (Petrol) 2WD - Automatic

Key specifications:

Safety

- 6 airbags
- Rear view camera with dynamic guidelines
- **Electronic Stability Control (ESC) including:**
 - Anti-lock Braking System (ABS)
 - Brake Assist System (BAS)
 - Electronic Brakeforce Distribution (EBD)
 - Hill-start Assist Control (HAC)
 - Traction Control System (TCS)
 - Vehicle Stability Management (VSM)
- Tyre Pressure Monitoring System (TPMS)
- **Hyundai SmartSense™⁴ including:**
 - Driver Attention Warning (DAW)
 - Forward Collision-Avoidance Assist (FCA) - City/Urban/Interurban/Pedestrian (camera type)
 - High Beam Assist (HBA)
 - Lane Keeping Assist - Line/Road-Edge (LKA-L/R)

Interior and technology

- 8" touchscreen with Apple CarPlay™¹ and Android™ Auto² compatibility
- 4.2" supervision cluster with trip computer & digital speedometer
- Bluetooth®³ connectivity
- Wireless charging pad
- Rear parcel shelf storage slot (behind rear seat)
- Cruise control
- Steering wheel mounted audio & phone controls
- Drive Mode - Comfort, Eco & Sport⁶
- Traction Mode - Snow, Mud & Sand⁶
- 4 speaker audio system
- Silver painted inserts (air vents, transmission gear surround)
- Power windows - front & rear
- Height adjustable driver's seat
- Front centre console armrest & storage box

Exterior and technology

- 15" alloy wheels
- Daytime Running Lights (DRL) - Halogen
- Roof rails
- Automatic dusk sensing headlamps with escort and welcome functions
- Rear skid plate
- Power adjustable exterior mirrors

Active.

Engine and transmission

- 1.6 MPi (Petrol) 2WD - Automatic

Key specifications above Venue:

Safety

- Parking Distance Warning-Reverse (PDW-R)

Interior and technology

- 6 speaker audio system
- Leather appointed⁵ steering wheel & gear knob
- Contrasting stitching & piping (seats, steering wheel & gearshift boot)
- Metallic white painted inserts (air vent & transmission gear surround)

Exterior and technology

- 17" alloy wheels
- LED Daytime Running Lights (DRL)
- LED side repeaters
- Heated exterior mirrors
- Power folding exterior mirrors
- Static bending lights

Elite.

Engine and transmission

- 1.6 MPi (Petrol) 2WD - Automatic

Key specifications above Active:

Safety

- **Hyundai SmartSense™⁴ including:**
 - Blind-Spot Collision Warning (BCW)
 - Rear Cross-Traffic Collision Warning (RCCW)

Interior and technology

- Smart key with push button start
- Cloth & premium finish seats
- Satellite Navigation
- ECM rear view mirror
- Live Traffic Updates
- Digital radio (DAB+)
- 1x USB power outlet - front centre console
- 2x USB-C charging ports - rear seats
- Rear privacy glass

- One touch window up & down function with anti-pinching feature - driver's window
- Single zone climate control
- Silver painted inserts (air vents, transmission gear surround) - denim interior only⁷

Exterior and technology

- Glass sunroof (not available with two-tone roof)
- Painted front & rear bumper inserts⁷
- Front grille - chrome inserts
- Painted side garnish & wheel arch inserts⁷
- LED rear combination lights

Bluelink™^{8,12} features

- Automatic Collision Notification⁹
- SOS Emergency Call Function¹⁰
- Connected Routing Navigation
- Valet Mode Function
- Voice Control
- Weather Forecast
- Calender integration - via app¹¹
- Remote functions - via app¹¹

Elite variant shown.

* All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai Dealer or visit www.hyundai.com/au/en for full warranty terms and usage recommendations.
1. Maximum ball download 50kg. Manual -Towing capacity 1100kg braked & 500kg unbraked. Automatic -Towing capacity 800kg braked & 500kg unbraked. Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations.
2. Nudge bar has mounting points for driving lights.
3. Mudflaps cannot be fitted in conjunction with a Full Bodykit or Rear Skirt.
4. Tyres not included. Tyre swap possible for Venue and Active variants.
5. Tyres not included.
6. Load capacity = 75kg evenly distributed over 2 bars.
7. Requires fitment of Hyundai genuine roof racks at additional cost.
8. Requires fitment of Hyundai Genuine roof racks at an additional cost. U-bolt fittings included. Roof Basket dimensions: 1402mm (L) x 1142mm (W) x 150mm (H). Maximum loading of the roof basket must not exceed the maximum load capacity of your roof racks.
9. Not suitable for manual variants. Requires fitment of painted park assist sensors at additional cost. Front corner park assist is designed as driver assist function only and should not be used as a substitute for skilled driving and safe parking practices. While the park assist sensors monitor objects on approach, there may be occasions where blind spots affect the sensitivity of the sensors and as a result the area into which the vehicle is heading must be visually monitored by the driver at all times while parking.

Imagine a Lifetime of Care.⁺

We built iCare[®] around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra.”

Our 5-year, unlimited kilometre warranty¹ means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan² – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees or surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes a Sat Nav Update Plan for up to ten years³, and a Premium Roadside Support Plan available for the Lifetime of your vehicle when you continue to service with us⁴.

Lifetime Service Plan²

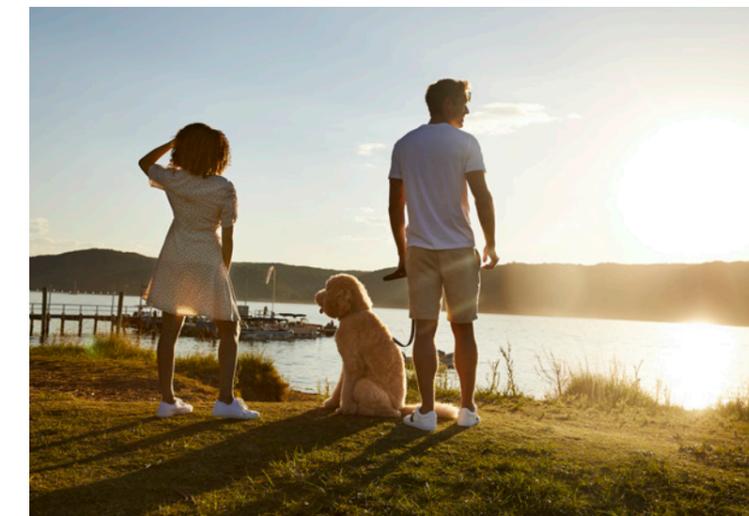

Premium Roadside Support Plan⁴

Sat Nav Update Plan³

5 Year Unlimited Km Warranty¹

iCare

VENUE.

⁺Care received under the iCare program is conditional, and elements of the program are limited in duration. See www.hyundai.com/au/en/owning/icare for further details and full terms and conditions. 1. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. See <https://www.hyundai.com/au/en/owning/icare/warranty> for full warranty terms & conditions for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at [hyundai.com/au/en](https://www.hyundai.com/au/en), apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles, for their lifetime. See <https://www.hyundai.com/au/en/owning/servicing> for full Ts and Cs. 3. **Sat Nav Update Plan:** Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Included map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer. 4. **Premium Roadside Support Plan:** 12 months included Premium Roadside Support when you buy a new Hyundai vehicle from a participating authorised Hyundai Dealer or direct from Hyundai. Premium Roadside Support commences from the date of the vehicle's warranty commencement. When you have your Hyundai vehicle's scheduled service undertaken at a participating Hyundai Dealer, you will receive 12 months of included Premium Roadside Support from the date of service. This offer is available for all Hyundai vehicles (excluding rental buyers and taxis). See www.hyundai.com/au/en/owning/icare/roadside-support for full terms and conditions.
